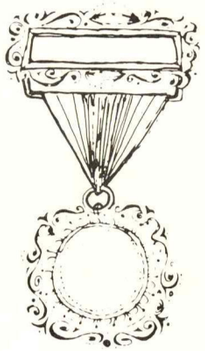
Dedication



This year the Little Yellowjacket is dedicated to a well-deserving teacher. She has taught at St. Martin for eleven years. She has added honor and prestige to the profession of teaching. This teacher is best described as unselfish, compassionate, and understanding. Her fellow workers as well as students appreciate these outstanding qualities. The 1978 Little Yellowjacket is dedicated to a teacher who has made pleasant memories for many people at St. Martin School. We take pride in dedicating this yearbook to MRS. LELA R. MATTHEWS.
